5	P	Claudia's in California.
6	D	Daddy what's wrong?
7	D	No, not at all. When Carolyn graduated and left, Claudia...went..
8	A	* Well, I could, but I'm not. I'm alone. I'm alone. Trust me...
8	P	That's okay. Don't worry about it.
8	D	Yeah, I've heard you mention his name.
8	P	When are you supposed to meet him? Here, let me get some of this out of your way.
9	D, A	No, no it isn't. It was a late night *.
9	D, P	... I needed to get up anyway. Here, let me move these clothes.
9	T	..a garage. No, you're right. It is usually quiet. Especially...
9	A, P P, D	.. have a party you can hear that or * they have anything in the back yard like a barb-b-que, but normally it's...quiet...I can play my music real loud and no one notices.
10	P	Of course. Take your coat off. I'm sorry the place looks like this.
11	P	No you're fine. I'm glad you stopped. Really. Let me throw some..
11	D, A, L, A	Yeah, so am I. I * miss the ole' girl. * Jesus*, why didn't you tell me ..
11	P	So do I. So do I. That's Dan.
12	A	Yeah. * Give me a quick minute and let me jump in the shower.
12	L/D	Have a seat. Make yourself at home. I'll be right out.
12	D, A	...Juice? I think there's some Scotch *. I don't drink it but it's there.
13	P, T	Disturbed bird. That's how a bird looks after it has fallen from the very top of the tree out of its nest.
16	P	Claudia's standing next to him, right?
16	D	That was taken right before Claudia moved out with Carolyn. We all went skiing up at Eldora. In fact, Carolyn should be in the picture too.
18	P	I know you know. Daddy?
19	T	Why did you ask me just a few minutes ago, how she was...if you already knew?
19	P	Well, that's a first. And what did she say?
21	T	I'm gay. You just don't come out and say that. Do you introduce...
22	A	...I'm sorry. I suppose everyone knows.*
